Aloha Graduates,

I use the word remarkable because you have achieved this important milestone in your life under the most challenging of circumstances. And yet throughout the past three semesters, you persevered, you encouraged one another, and you succeeded!

Today proves that not even a global pandemic can in any way diminish the feelings of pride and joy that you and your loved ones feel on this special occasion.

On behalf of all of the faculty, staff, and administration of the University of Hawai'i at Mānoa, congratulations on your accomplishments, and continued good fortune as you navigate the next steps in your career. Message from the University of Hawai'i Office of Alumni Relations

UNIVERSITY of HAWAI'I®
ALUMNI

To the newest members of the UH Alumni 'Ohana,

You did it! Congratulations, Class of 2021, on your graduation from the University of Hawai'i. Though this last year may not have been the way you thought it would be, we want to be among the first to say: nothing negates the hard work and brilliant successes of your time at UH. You all have taken unique journeys to get here, each as inspiring as the next. Your University of Hawai'i chapter is written into your memory, the memories of your closest friends, and the collective memory of our great alma mater. Today, we celebrate.

In the coming years, some part of this university will remain with you. It will touch you in unexpected moments and in unanticipated ways. Just as this place will endure within you, you leave behind a part of yourself that will forever make UH different, better. As you say aloha to UH Mānoa, we encourage you to greet the great future before you as a new member of the UH Alumni 'Ohana.

Our Alumni 'Ohana may be bigger than you even imagined. Over 200,000 graduates in over 60 countries, all with one common green and white thread. We are nurses, doctors, performers, teachers, parents, writers, scientists, athletes. We are collectively astonishing and all-together empowered to change the world.

So as you get to know your life after graduation, we ask you to do us, the Alumni Relations team, one favor: Stick with us. Send us updates about you and your college friends. Attend an alumni event. Cheer on the 'bows at a game. Ask us how we can help you in this new chapter, and the next one, and the next one. As you move forward, we'll be here, at the ready to support you and remind you that UH was once, and will always be, home.

Aloha, and a hui hou kākou,

UNIVERSITY OF HAWAIʻI AT MĀNOA

The University of Hawaiʻi at Mānoa was founded in 1907 as a college of agriculture and mechanical arts on the island of Oʻahu.
